

Agenda/minutes
Tainter Lake Rehabilitation District
Sedimentation Ad Hoc Committee

Date: Monday March 18, 2024
Place: Tainter town Hall N8150 County Highway D Colfax WI 54730
Time 5 PM

Call The meeting to order. Bilse called the meeting to order at 5 PM. Pedersen and Peissig absent.

Approve the minutes from February 26, 2024. Motion by Purdy and 2nd by Gutting to approve minutes. Motion carried.

Recognition of visitors and comments. No public comment.

Speakers. Ernie Sundstrom dredging contractor will speak on permitting. Sundstrom answered questions on dredging, and moving/removing sediment form the delta area of Tainter.

Dr Keith Gilland UW-Stout Associate Professor of Biology will speak on "Living approaches for bank stabilization". Dr Gilland discussed options for erosion control on the Red Cedar River. Gilland answered many questions regarding our erosion/sediment problem.

Member updates. Bilse detailed his contact with the landowner near Dobb's Landing and was happy to report that the landowner is anxious to work together on the erosion problem. Bilse reminded everyone that listening sessions will be hosted by the Lake District on March 28th and April 3rd from 6:30 to 8:30 at Wakanda Elementary, and April 6 10-Noon at the Tainter Town Hall. Lake residents and lake users are encouraged to attend and share their thoughts. Bilse attended the Red Cedar Water Conference on March 14, and reported that a broad range of water quality topics were discussed. Bilse mentioned the good recap by the Colfax Messenger on the erosion/sediment problem we are currently working on.

Future agenda items. TBD
